LOVE STORY

From a professional standpoint, Kristin and Zander are fascinating people. Kristin, a Los Angeles transplant from New Jersey via New York, enjoys acting and showcases her sharp wit through blogging and Twitter. Zander has a high-ranking position with a mass-media company. But together, this power couple will likely turn heads for their charming dispositions and stunning looks.

LOVE NOTE

The rustic nuptials took place on a grassy knoll beneath a wooden arbor. The sounds of a bagpipe brought a touch of the Highlands to the day.
